A MESSAGE FROM YOUR COMMUNITY LAY DIRECTOR

It is with a humble spirit I have accepted the honor of being your Community Lay Director for 2010. I know I cannot be the CLD that this wonderful Community deserves on my own. First I will seek the Lord guidance, I also have the support of all the wonderful CLD that have gone before me. Your New Covenant Board of Directors is a very strong and dependable Board; I have lots of support and help from them. I know I can count on my Lord, fellow Board Members, past CLD's and YOU the Community to support your NCEC Board and the entire Community.

Your willingness to say "yes" to service is always a blessing to Walk Lay Directors, Support Coordinators and the Board. As we know Emmaus is about developing leaders to go back and serve/lead in their local churches. I can assure you that my servant hood in Emmaus has helped me in **all** I do at my church. I urge you to say yes when you are asked to serve. Not only will your Community be blessed but you will receive a greater blessing by serving.

IMPORTANT INFORMATION:

The database containing the Community's volunteer forms, address, phone numbers, etc. has failed and we lost all our information. We have some information but not all. The Board has adopted a new data base that is successfully being used by some other Emmaus Communities. Team roster are being posted into this new database. As soon as your Board of Directors have been trained and all existing information uploaded, YOU will be notified and asked to log onto the database and put in your information or update your information. Due to this lack of information it has been more difficult for the Walk Lay Directors and the Board to make the contacts for the Spring Walks. So when informed by email that the new database is ready, please log on and help us rebuild our data on the Community. Each member's information is vital to keeping our Community moving forward.

I look forward to seeing you at Gatherings and Walk events. Please pray now for the Spring Walks as team meetings will be starting in a few weeks.

Thank you for the confidence you and the Board have placed in me. Together we will serve our Lord and Community.

In His Love,
Annette Strickland
Community Lay Director

If you want to see your church catch fire for the Lord, try an injection of the Holy Spirit wrapped in the energy of youth! Sponsor a young person on a Chrysalis flight. It's an experience you won't want to miss.

High school boys at least 15 years old are invited, as well as college-age boys up to 21 years old. Applications can be obtained on-line at the NCEC web site, www.newcovenantemmaus.com or <http://www.newcovenantchrysalis.org/> and must be received by the registrar no later than two weeks before the flight, so don't dawdle!

The team is forming right now, and we can use your help. If you have a heart for Christian youth, come serve with us.

and team of
